To place an Absentee Bid you authorize the auctioneer's representative to bid on your behalf up to the limit of your bid. The item will be purchased at the lowest possible price below your maximum bid. You must provide your name, address, phone number and drivers licence, along with lot numbers (if available), descriptions and maximum bids. All bids are kept confidential. The manner in which all items are described is based upon visual inspection of items, and by doing such the absence of such a reference does not imply that any items are free from defects, nor does any reference to particular defects imply the absence of others. All sales are final. All bids must be faxed or emailed to office 24 hours before auction. If this is a phone bid we will contact you to confirm time of phone call. We cannot be responsible for non-connection of phone bids. We will contact you after the auction only to inform you if you were the successful bidder and to arrange for prompt pickup or delivery arrangements of your items. All items purchased for the bidder will be charged with all applicable taxes and buyers premiums (15% for absentee/phone bids) to your Visa or MasterCard by A Touch of Class Auctions. PayPal and Bank Transfer payments can be arranged for your convenience. Any items to be shipped from our premises, along with any costs incurred will be the responsibility of the purchaser. For any large furniture items there is an \$80 moving charge to remove the item from the auction hall and a storage fee determined on length of storage (typically \$10 per day). All prices are in Canadian dollars, including any buyer's premiums and applicable taxes.
