## **IMPORTANT WORLD COLLECTOR AUCTION – SUNDAY, NOVEMBER 20, 2011**

### **TERMS AND CONDITIONS**

1. Any description issued by the auctioneer of an article to be sold is subject to variation to be posted or announced verbally in the auction room prior to the time of sale. While the auctioneer has endeavored not to mislead in the description issued, and the utmost care is taken to ensure the correct cataloguing of each item, such descriptions are purely statements of opinion and are not intended to constitute a representation to the prospective purchasers and no warranty of the correctness of such description is made. An opportunity for inspection of each article is offered prior to the time of sale. No sale will be set aside on account of lack of correspondence of the article with its description or its reproduction, if any, whether colour or black and white. Some lots are of an age and/or nature, which preclude their being in pristine condition, and some catalogue descriptions make reference to damage and/or restoration. The lack of such a reference does not imply that a lot is free from defects nor does any reference to certain defects imply the absence of others. It is the responsibility of prospective buyers to inspect or have inspected each lot upon which they wish to bid, relying upon their own advisers, and to bid accordingly.
2. Each lot sold is subject to a premium of 10% of the successful bid price of each lot. A premium of 15% on each lot for all successful absentee, telephone and internet bids will be added as part of the purchase price.
3. Unless exempted by law, the buyer is required to pay Ontario Retail Sales Tax (HST 13%) and/or Federal Goods and Services Tax (5%) on the total purchase price including the buyer's premium.
4. The auctioneer reserves the right to withdraw any lot from sale at any time, to divide any lot or to combine any two or more lots at his/her sole discretion, all without notice.
5. The auctioneer has the right to refuse any bid. The auctioneer reserves the right not to accept and not to reject any bid. Without limitation, any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance over the previous bid may not be recognized.
6. Each lot may be subject to an unpublished reserve, which may be changed at any time by agreement between the auctioneer and the consignor. The auctioneer may bid, or direct an employee to bid, on behalf of the consignor as agreed between them. In addition, the auctioneer may accept and submit absentee, telephone and internet bids, to be executed by an employee of the auctioneer, pursuant to the instructions of prospective buyers not in attendance at the auction.
7. The highest bidder accepted by the auctioneer for any lot shall be the buyer and such buyer shall forthwith assume full risk and responsibility for the lot and must comply with such other Conditions of Sale as may be applicable. If any dispute should arise between bidders the auctioneer shall have the absolute discretion to designate the buyer or, at his/her option, to withdraw any disputed lot from the sale, or to re-offer it at the same or a subsequent auction. The auctioneer's decision in all cases shall be final.
8.
